BALI

6 Nights 7 Days

14-20 MAY 2011

Indulge yourself in luxury at the first class Pan Pacific Nirwana Golf and Spa Resort and enjoy its surrounding rice terraces, lush gardens and magnificent pools. When not playing bridge or joining our optional sight-seeing tours, why not visit the nearby markets and the famous Tanah Lot Temple or hop on the Resort's courtesy bus and visit Ubud or Kuta.

Our resort is on Bali's south-west coast, a safe distance from all the tourist hot spots. Outside its gates is the busy market town of Tanah Lot while only a 20 minute drive away is Seminyak with its stores and restaurants.

As well as a daily program of bridge, your tour escort, John Newman, will organise optional sight-seeing tours and group bookings for lunches and dinners at local restaurants.

The resort offers a free shuttle service alternating on a day by day basis to Ubud and Kuta. There will be plenty of leisure time on some of our daily programs for you to avail yourselves of this service.

You will also have time to enjoy the resort's, golf course, tennis courts, fully equipped fitness centre, three swimming pools and man-made sand beach and water slide.

Your magnificent full buffet breakfast is included on a daily basis as is the Welcome dinner on the first night and Farewell dinner on the last night.

We suggest that you join your

fellow travellers for a drink before the included dinners. Then you will enjoy the true Bali experience as you watch the sun set over the ocean and Tanah Lot Temple.

Our bridge program will include evening multi session red point events and walk-in duplicates and clinics during the day.

We will have seven full days at our Resort as our flight home leaves late at night. We have included a late check out so that you can enjoy a day of bridge, our prize presentation, and some last minute shopping before vacating your suite to depart to the airport.
